

14-16 JUNE 2023  
ZAKOPANE

ARCHAEOLOGY  
OF THE MOUNTAINS  
*Research, Methods, Analysis*

## Day 1 (14.06.2022)

9:00-10:00 Registration, coffee

### Opening session

10:00 Opening ceremony

10:15-10:45 Opening lecture by Paweł Valde-Nowak: *Trodden and untrodden paths of prehistoric archaeology in mountain landscapes*

### Session 1: Pyrenees

10:45-11:05 Josep Maria Palet Martínez, Arnau Carbonell, Lídia Colominas, Alfredo Mayoral, Valentina Pescini (online): *Landscape Archaeology research in the Eastern Pyrenees (Segre and Ter valleys, NE Iberian Peninsula): settlement and land-use dynamics on a long-term perspective*

11:05-11:25 Ermengol Gassiot Ballbè, Ignacio Clemente Conte, Marcos Barba Pérez, Sara Díaz Bonilla, Niccolò Mazzucco, Javier Rey Lanaspá, David Rodríguez Antón, Guillem Salvador Baiges (in person): *Mountain Archaeology in the Southern Central Pyrenees: Decoding the Mesolithic-Neolithic Transition*

11:25-12:00 Discussion, Coffee break

### Session 2: Mountains of Asia

12:00-12:20 Patrick Cuthbertson (in person): *Pleistocene Lifeways in the Foothills of Central Asia: Modelling the forces that drove the topographically complex Inner Asian Mountain Corridor*

12:20-12:40 Mahsa Najafi, Mohammad Sepehr Siri, Arkadiusz Sołtysiak (online): *An ossuary in Eskeletha cave, Alborz Mountains, Iran*

12:40-13:00 Łukasz Oleszczak, Krzysztof Michalczewski (in person): *Research of the expedition of the Institute of Archaeology of the Jagiellonian University in the Altai Mountains*

13:00-13:20 Michał Leloch (in person): *Methods and preliminary results of documentation of rock art sites in the Kyzyl Dara Gorge, Uzbekistan*

13:20-13:40 Michał Przeździecki, Irena Kalantaryan, Marcin Białowarczuk (online): *Getahovit 2 Prehistoric Cave Settlement in Northern Armenia*

13:40-14:50 Lunch break

Visiting the exhibitions in the Main Building of the Tatra Museum

### Session 3: Mountains of Europe

14:50-15:10 Antonín Přichystal (in person): *Mountain regions as sources of principal stone raw material for Neolithic polished tools in Europe*

15:10-15:30 Jan Horák (in person): *The Archaeology of the Krkonoše Mtns. State of the art and new research plans*

15:30-15:50 Julia Kościuk-Załupka (in person): *Mountainous cultural crossroads: voyages for ochre quarrying*

15:50-16:10 Discussion, coffee break

### Session 4: Mountains of the Americas

16:10-16:30 Radosław Palonka, Katarzyna Ciomek, Bartosz Foryś (in person): *Ancestral Pueblo culture from the Colorado Plateau in the US Southwest and its relation to the landscape*

16:30-16:50 Alexei Vranich (in person): *High Altitude Urbanism*

16:50-17:10 Maciej Sobczyk, Sylwia Siemianowska (in person): *High mountain archeology in the Peruvian Andes. The case of the Coropuna volcano.*

17:10-17:30 Weronika Tomczyk, Claire Ebert (online): *Variability of pastoral strategies in low- and high-altitude regions of northern Wari Empire (north-central Peru)*

17:30-17:50 Discussion

19:00 Banquette

## Day 2 (15.06.2022)

8:30-9:00 Special lecture by Marián Soják (in person): *Caves of the Slovak part of the Carpathians - important prehistoric sites*

### Session 5: Mountains of Europe: Carpathians, Sudetes

9:00-9:20 Marián Soják, Mateusz Baca, Maria Hajnalova, Katarzyna Kerneder-Gubała, Magda Kowal, Julia Kościuk-Zalupka, Anna Kraszewska, Anna Lemanik, Lenka Lisa, Adam Nadachowski, Monika Orvošova, Jakub Skłucki, Agnieszka Wacnik, Paweł Valde-Nowak (in person): *Hučiva cave. Late Pleistocene hunting camp in the Tatra Mountains*

9:20-9:40 Maciej Dębiec, Andrzej Pelisiak (in person): *Prehistoric Man and Salt in Salty Mountains*

9:40-10:00 Janusz Budziszewski, Michał Jakubczak, Anna Wawrzczak (in person): *On the need to study the remains of ancient mining in the Polish Carpathians*

10:00-10:20 Discussion, coffee break

10:20-10:40 Marcin Przybyła, Jan Ledwoń, Magdalena Makiel, Aleksandra Wójcik (in person): *Looking closer: the eastern gate of the Early Bronze Age fortifications on Zyndram's Hill and its relation to ritual practices*

10:40-11:00 Noémi Beljak Pažinová, Jakub Godiš, Ján Beljak (online): *The Late and Final Bronze Age settlement at Zvolen, Pustý hrad site (Central Slovakia)*

11:00-11:20 Joanna A. Markiewicz (in person): *Early Iron Age in the Western Carpathians in the light of pottery style analysis*

11:20-11:40 Discussion, coffee

11:40-12:00 Jan Bulas, Magdalena Okońska-Bulas, Mirosław Mazurek (in person): *Spatial organization and types of buildings in the Roman period settlement on the example of site 59-60 in Sanok. An attempt at reconstruction and interpretation*

12:00-12:20 Jan Bulas, Piotr Kotowicz, Magdalena Okońska-Bulas (in person): *The lonely mountain - summary of the results of archaeological research conducted on the slopes and foothills of Wroczeń Mt.*

12:20-12:40 Discussion

12:40-14.10 Lunch break

Visiting the exhibitions in the Main Building of the Tatra Museum

14:10-14:30 Krzysztof Jaworski, Ewa Lisowska, Aleksandra Pankiewicz (in person): *Sudetes in the early Middle Ages*

14:30-14:50 Michał Wojenka, Anna Bojeś-Białasik, Bartłomiej Urbański, Jarosław Wilczyński, Magdalena Moskal-del Hoyo, Olga Tsarenko, Magda Kapcia (in person) *The western wing of the Nowy Sącz Castle in light of the recent interdisciplinary research*

14:50 - 15:10 Łukasz Lewkowicz (in person): *Petroglyphs of "treasure hunters" in the Tatra Mountains: location, literature review and state of research*

15:10-15:30 Katarzyna Kerneder-Gubała (in person): *Siliceous rocks of the Tatra Mountains as a potential source of raw materials for the Stone Age communities in the context of mountain mining*

15:30-16:00 Discussion, coffee break

### Session 6. Poster session, workshops

16:00 - 17:00 Poster session

Hernán De Angelis (online): *First evidence of lithic raw material exploitation in glacial mountain valleys, Tierra del Fuego, Argentina.*

Marzena Woźny (online): *Archaeological research of the Cave in Kopa Magura in the Tatra Mountains in the first half of the 20th century*

Sylwia Buławka, Katarzyna Kerneder-Gubała, Paweł Kocańda (in person): *The archaeological collection of the Tatra Museum in Zakopane, Poland*

Magda Kowal, Anna Kraszewska (in person): *Landscape variability in Mesolithic of Polish Carpathians*

Tomasz Oberc (in person): *LBK settlement network in area of the eastern part of the Wiśnicz Foothills*

Cyryl Konstantinovski Puntos (in person): *Localisation-based geospatial analysis of early-medieval hillforts in polish Carpathians*

Paweł Kocańda, Paulina Gorazd-Dziuban (in person): *Newly discovered strongholds and upland settlement in Kobylanka, Gorlice district. Summary of archaeological findings from 2019-2022*

Wojciech Pasterkiewicz (in person): *Results of preliminary excavations at the newly discovered hillfort in Wie-  
trznno-Wola Albinowska, Krosno district*

17:00-19:00 Workshops, refreshment and beverages

### Day 3 (16.06.2022)

#### OPTION 1

9:00-16:00 Terrain Session: Czarna Góra - Litwinka (panorama view of the Tatra Mountains) - Czarna Góra - the Korkosz Family Croft (Branch of the Tatra Museum) - Trybsz (geological structure of the Białka River Valley) - Obłazowa Cave (Middle and Upper Palaeolithic cave site) - Niedzica Castle (Middle Ages) - lunch - return along the scenic route.
