

Resolution of the Director of the Catalan Institute of Classical Archaeology (ICAC) approving the terms and conditions of the call for the provision of a permanent job of senior researcher specialised in archaeometry (code 017.136)

Given that the list of ICAC jobs includes a permanent job of senior researcher, level I2, in archaeometry not covered that was approved at the meeting of the Board of Directors on 19 December 2022;

Considering that this job was published in the ICAC Public Employment Offer corresponding to the year 2022 (DOGC No. 8819 – 23/12/2022);

Given that at the meeting of the aforementioned Council on 19 December 2022, it authorised the director of the ICAC to carry out the corresponding procedures for the provision of the referenced job after the publication of the corresponding public employment offer. In addition, it agreed that the director will resolve the granting of the corresponding call and the permanent employment contract;

And, in accordance with the powers attributed to me as director by article 14 of the Statutes of the Institute and in use of the delegation of powers granted by the Board of Directors of the Catalan Institute of Classical Archaeology to the management of the ICAC, approved on April 11, 2002,

RESOLUTION:

First. To approve the terms and conditions of the call for the provision of a permanent position as a senior researcher specialising in archaeometry (code 017.136), which are annexed to this resolution.

Second. To publish an announcement in the Official Gazette of the Government of Catalonia of this resolution and the annexed rules. The complete documentation of the call will be published on the ICAC website (<http://www.icac.cat>).

Interested parties may lodge an appeal against this resolution to the Board of Directors of the Catalan Institute of Classical Archaeology, whose agreements exhaust the administrative channel (art. 4.2 of the Statutes of the Catalan Institute of Classical Archaeology) within one month from the day following the resolution, in accordance with the provisions of article 76 of Law 26/2010, of 3 August, on the Legal Regime and Procedure of the Public Administrations of Catalonia and Article 122 of Law 39/2015, of 1 October, on the Common Administrative Procedure of Public Administrations.
